

# Fitterer's Inc. E85 Pump Grand Opening

Friday, June 6, 2008 • Glen Ullin, ND

800.LUNG.USA • [www.CleanAirChoice.org](http://www.CleanAirChoice.org)

Fitterer's Inc. lowered its E85 price to \$1.85 for two hours during the event!

Our first customer for the event took advantage of the discounted fuel. Let's pump some E85!

## North Dakota Clean Air Choice Team—2008

North Dakota Corn Growers Association

North Dakota Department of Commerce

North Dakota Ethanol Producers

National Vehicle Coalition

General Motors Corporation

US Department of Energy—Clean Cities

American Lung Association of North Dakota

The Dickinson Press featured a story about the pump grand opening and discounted fuel prior to the event.

Keith Fitterer talked with customers about the promotion as Sarah Norbeck, ALAND Clean Fuels intern, kept pumping E85.

Fitterer's Inc. pumped eight times the daily amount of E85 during the promotion!

# E85 & Biodiesel Fuel Promotion Cenex • Hartland, MN

Addicted to oil? GET CLEAN! MN Soybean Growers, MN Corn Growers, and ALA-MN displayed alternative fuel vehicles outside the Cenex.

85¢ off E85 and 20¢ off B2!

All forms of motorized vehicles stopped by the station to support cleaner burning fuels like E85 and biodiesel!

Close to 1,000 gallons of clean renewable fuels were sold in 3 hours!

KATE-FM and KAAL-TV came to the event to report the message of clean, renewable fuels!

Special thank you to Hartland Cenex, Veronica Bruckhoff, Rick Mummert, Jenni Hanna, Dan Erickson, Derek Brown & Freeborn County Corn & Soybean Growers for helping make the event a success!

# Tri-Par Qwik Mart E85 Fest

October 30, 2008 • 10 am - Noon • West Bend, WI

On October 30, Tri-Par Qwik Mart in West Bend hosted "E85 Fest." The event included in-store specials and discounted E85. Many customers tried E85 for the first time!

Bob Fish Pontiac Buick GMC Trucks of West Bend provided a variety of E85 capable vehicles.

Nancy Kavazanjian (middle) of the Wisconsin Corn Growers Association and Alice in Dairyland (Ashley Huibregtse, right) discuss the impact of E85 on the local economy with a West Bend resident.

Maria Redmond (above) of the Wisconsin Office of Energy Independence chats with a customer who happily traveled several miles to take advantage of the E85 specials.

From left: Alice in Dairyland, Nancy Kavazanjian and Maria Redmond.

# E85 & BIODIESEL PROMOTION • BIRD ISLAND, MN

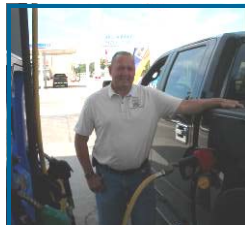

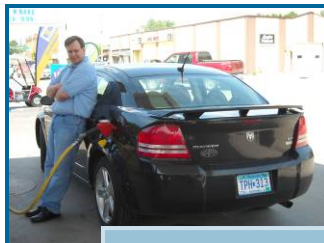

Friday, June 26 • 10 am - 1 pm

85¢ off per gallon of E85

10¢ off per gallon of biodiesel

1102 gallons of E85 were pumped preventing nearly 4.5 tons of CO<sub>2</sub> emissions from entering the atmosphere.

The promotion attracted a variety of FFVs including the Dodge Avenger, Chrysler Sebring Convertible, Chevy Tahoe and Ford F150 illustrating the diverse selection of FFVs available today.

Special thank you to the event supporters: Renville County Corn & Soybean Growers and the Minnesota Clean Air Choice Team!
